To

The Principal

The world has been forced to embark on an unprecedented journey towards the uncharted territory of being confined to homes and it is digital technology that has become the lifeline. This crisis is providing a training ground for students to adapt to the digitalised way of education and learning. This will be a key requirement in order to become more resilient for the future

Here is a chance for our wiz kids to exhibit their creativity and innovative skills by connecting together despite the disruption of school life.

Amity International School, Sector-43, under the aegis of honourable Chairperson Dr. (Mrs) Amita Chauhan, is back with its annual IT extravaganza CYBER BUZZ 2020. AMITY has set benchmarks for the avid techies of today and the future, ever since the journey began in 2004. It is an opportunity that allows them to innovate in real life situations and to adapt themselves to the latest ways of technology.

This is the platform that allows the GenZ to explore, assimilate and evolve.

This year CYBER BUZZ promises to be much more challenging with 8 electrifying events.

- Event Begins – 27.04.2020(Monday)
- Event Ends – 23.05.2020(Saturday)
- Online events will be held on Saturday 23.05.20
- Please send your consent for the competition by 3rd May,2020 by mail.
