

Filmmaking Prompt | CW Intra 2020

Your task is to create a short film of 1 to 3 minutes based on an everyday object in your house; this can be anything ranging from a coffee mug to a pencil.

Your film can be a narrative short, documentary or an advertisement. You must shoot most of the film yourself; use of stock footage of up to 10 seconds is permitted.

Violating the rules will lead to negative marking.

Recommended Editing Software: *Adobe Premiere Pro, Sony Vegas.*

Entries should be uploaded as *unlisted* to YouTube and the link must be submitted through [this](#) form.

Submission Deadline: 20th July 2020, 11:42 pm.

For your safety, please shoot the film while following social distancing guidelines.

Refer to the [learning resources](#) if you need some help getting started.

Good luck and Don't Panic!
