Important Information

Event Date: Tuesday, 30th July 2019

Last Date for Registration: Tuesday, 16th July 2019

Registration Link: nodeclub.xyz/alphanode/register

General Guidelines:

- The registered schools need to report on the day of the event before 8:30 am for onsite registration. Schools are requested to be on time.
- Each participant can take part in only one event.
- All participants must be in school uniform, carry their school ID cards and be accompanied by a teacher.
- The results of the online events will be announced on the day of the event. Teacher accompanying the participants of onsite events can collect the certificates on behalf of the winners of online events.
- Only those schools which participate in **all** the events and score the maximum points will be awarded the rolling trophy.
- The decision of the judges will be final and binding.

Submission Guidelines:

- The links to the rules documents and prompts are given for each event in the event details section.
- All prompts are already live or will be live soon at nodeclub.xyz/alphanode.
- All online submissions, including prelims, should be sent latest by Sunday, 21st July 2019 midnight.
- The schools whose submissions for Create[x] and PhotoBuild Prelims are shortlisted will be informed two days prior to the day of the event.
